SAU16 Joint School Board Resumes Superintendent Search

The SAU16 Joint School Board has announced that it has resumed its search to find the SAU's next superintendent. A subcommittee of the Joint Board will be conducting initial interviews of potential candidates on Thursday, February 15, 2018. The interviews will be held in non-public session. Following the initial interviews, the subcommittee anticipates asking the candidates back for a second, public meet and greet and subsequent interview on Wednesday, March 7, 2018. The Joint Board hopes to offer the position to one of the candidates that evening.

“We are pleased that the process is moving forward,” said SAU Chairman Travis Thompson of the Exeter Regional Cooperative School Board. “Some very qualified candidates have reached out to us and have expressed interest in working for SAU 16. The Board remains hopeful that we will find the right person to step into the role of Superintendent.”

SAU16 provides educational services to the Brentwood, East Kingston, Exeter, Exeter Region Cooperative, Kensington, Newfields and Stratham School Districts.
