

Board meetings are held throughout the year.

All meetings shall be open to the public.

All meetings will be posted at least 24 hours prior to the time of the meeting.

Special meetings shall be held at the call of the Chairperson or upon the written request of at least 40% of the School Board.

Since community involvement in the educational process requires knowledge of that process, it will be the policy of the Board that all facts and information kept or prepared on the activities of the public schools, except confidential information as exempted by law, will be considered public information.

Any citizen may, with proper care, during office hours and subject to such regulations as the Superintendent may prescribe, have access to and inspect the public records of the public schools.
