

A simple majority of the Board shall constitute a quorum for the transaction of business. Board members unable to attend a meeting in person may communicate and vote via electronic means.

Except in an emergency, as determined by the Superintendent or Board Chair, a quorum of the public body shall be physically present at the location specified in the meeting notice as the location of the meeting. For purposes of this subparagraph, an “emergency” means that immediate action is imperative and the physical presence of a quorum is not reasonably practical within the period of time requiring action. The determination that an emergency exists shall be made by the chairman or presiding officer of the public body, and the facts upon which that determination is based shall be included in the minutes of the meeting.
