

Constructive criticism of the schools is welcome through whatever medium when it is motivated by a sincere desire to improve the quality of the education program.

The Board places trust in its employees and desires to support their actions in such a manner that employees are freed from unnecessary, spiteful, or negative criticism and complaints.

Whenever a complaint is made directly to the Board or to a Board member it shall be referred to the school administration for evaluation and remedial action if appropriate. The employee involved shall be advised of the nature of the complaint and shall be given every opportunity for explanation, comment, and presentation of the facts as he or she sees them.
