(also CHD)

In the absence of established Board of Trustees policy or Board of Trustees direction, the Superintendent of Schools shall assume responsibility for whatever decision or action is taken. In such instances, principals or other administrative or instructional personnel shall gain the approval of the Superintendent before taking any action.

In the situations which arise within the school where the Board has provided no guides for administrative action, the Superintendent shall have power to act but his decisions shall be subject to review and ratification by action of the Board at its regular meeting. It shall be the duty of the Superintendent to inform the Board promptly of such action and of the need for policy.
