Criminal Records Check Through the Division of State Police, Department of Safety

- (a) The law (RSA 189:13-a) requires that a SAU, school district, or charter school must submit to the State Police a complete set of fingerprints and a notarized release form for each individual covered by the law. The state police must conduct a New Hampshire criminal records check, and will forward the fingerprints to the FBI for a national records' check. The FBI will not conduct that check without a proper set of fingerprints.
- (b) The state police will provide to each SAU, school district or charter school a set of records release forms and fingerprints cards. The records release forms and the fingerprint cards, provided by the state police, will be the only types of forms that will be accepted. However each SAU, school district, or charter school may produce the release form as is necessary.
- (c) The selected applicant will complete the release form, have it notarized and bring the fingerprint card to a person qualified to take fingerprints. Depending on arrangements that have been made by the district, this may be a local law enforcement agency or a trained individual employed by the selected an employed by the SAU, school district, or charter school.
- (d) The SAU, school district, or charter school will then forward the release form and the fingerprints to the state police. The submission of the release form and the fingerprints must be accompanied by the proper fees, which cover the cost of both the state and federal records check. Inadequate fees will delay the process. The fees are as follows:
- | | |
|-----------------------------|------------------------------|
| Selected Applicants | \$34.00 plus postage. |
| Designated Volunteer | \$18.00 plus postage. |
- (e) The criminal history record check conducted by the FBI will take between 30 to 60 days. The FBI will forward the results to the state police and the state police will send a notification to the hiring agency indicting the presence or absence of a criminal conviction. If there is no criminal history record, the FBI will destroy the fingerprint card once the check has been completed. Similarly, no copy of the fingerprints will be kept by the state police.
- (f) The results of the completed criminal history records checks by the state police will be sent separately from the completed criminal history records checks by the FBI. The average time to receive a notification for a New Hampshire criminal history records check is two weeks.

HISTORY RECORDS CHECK****GBCD-R

- (a) Because criminal history record information must be destroyed by the SAU, school district, or charter school, there is no record information to share with another SAU, school district, or charter school.
- (b) The sole exception will apply to substitute teacher applicants.
- (c) Substitute teachers concurrently applying to multiple SAU's, school districts, or charters schools will submit the proper release forms, fingerprints and fees to only one of the districts.
- (d) Upon request, in person or in writing to the state police, the substitute teacher applicant will receive a copy of their criminal history record notification.
- (e) The substitute teacher applicant will show the state police notification to the other SAU's school districts or charter schools, and this will satisfy the statutory requirements for the criminal history records check.
- (f) This copy of the substitute's criminal history record notification will be valid for 14 days from the date of the notification. After this time period the criminal history records check process must be reinitiated.

Fingerprints

- (a) The overriding issues with respect to the fingerprints are that they be taken properly on the FBI Applicant Fingerprint Card supplied by the State Police.
- (b) The law allows this to be done by a qualified law enforcement agency or an authorized person employed by the SAU, school district, or charter school.
- (c) If, after two attempts a set of fingerprints is invalid, a SAU, school district, or charter school may, in lieu of fingerprints, accept clearances from every city, town or county where an applicant has lived during the past five years.
- (d) To assure that completed criminal history records checks are returned to the correct SAU's, school districts or charter schools, the SAU, school district, or charter school must place the name, address and identification number in Employer and Address section and the OCA section of the FBI Applicant Fingerprint Card.

- (c) A conditional offer of employment may continue during the time the SAU, school district, or charter school is awaiting receipt of a completed criminal history records notifications.
- (d) In the event that the first set of fingerprints is invalid and a second set of fingerprints is necessary in order to complete the criminal history records check the conditional offer of employment shall remain in effect.
- (e) A conditional offer of employment for a selected applicant shall be valid for no more than on resubmission of fingerprints and the subsequent clearances for the law enforcement agencies in the city, town or county which the applicant has lived for the last five years.

Final Offer of Employment

- (a) A SAU, school district, or charter school may extend a final offer of employment to a selected applicant, who has a conditional offer of employment, if the selected applicant receives a successfully completed records check including a criminal history records check.
- (b) If a selected applicant is extended a final offer of employment, the individual shall be entitled to membership in the collective bargaining unit subject to the requirements of RSA 273-A and shall immediately be covered by the terms and conditions of the collective bargaining agreement.

The school administrative unit, school district or charter school shall destroy any criminal history record information that indicates a criminal record within 30 days of receiving such information.

Contractors Or Subcontractor Responsibility

- (a) An employee background investigation including a criminal history records check shall be conducted by a contractor or subcontractor for each employee in regular contact with pupils in accordance with this advisory.
- (b) The cost of such investigation, including criminal history records checks for employees or selected applicants for employment with such contractors, shall be borne by the contractor or subcontractor.

- (d) In the event that services performed by a SAU, school district, or charter school, are now provided by a contractor, an employee background investigation shall not be required for a school employee who becomes an employee of the contractor.

Unsuccessful Criminal History Records Notification

If a SAU, school district, or charter school receives a criminal history records notification which states “does have a conviction” for crimes listed in RSA 189:13-a V, or a separate list of felonies submitted by that agency’s governing authority for a selected applicant the SAU, school district, or charter school shall immediately, within 24 hours of receipt of such report, excluding Saturday, Sunday, or a holiday, dismiss the selected applicant.
